### Statement of Faith

I am an ordained interfaith Minister not aligned with any particular religious organization but rather directly aligned to Source energy. According to my capacity to allow in this particular moment, I have complete access to Ascended Masters, Healing Angels, Arch Angels, and Spiritual Guides, for my highest good.

My purpose is to teach, write, and to allow healing energies to flow through me for the benefit of myself and others.

My message is Let Peace Begin With Me.

My method is to harmonize and release dense energies and to allow for the flow of Source Energy.

### PEACE TODAY service

This is a special service for Peace - please listen to the file I uploaded today called "Halleluiah" and sing along as you read along below. You can light a candle or set up any other ritual you're used to working with ie: calling in the White Light; calling in the sacred directions and so on. You can 'hold this service' as many times as you are directed by Spirit to do so. Feel free to pass this along to whomever you feel would be interested in joining us for peace. Be well; be at peace.

Love Lyn

Halleluiah – is an expression of thanks, praise, adoration, or gratitude to the Source of All That Is

Peace – across the globe, there are many words for peace.

Peace, He Ping, Mir, Salaam, Paix, Shanti, Frieden, Shalom, Paz, Peace

I ask that, from today forward, you hold the INTENTION OF PEACE in your heart. Go out of your way to build bridges of peace between your self and all you know and meet, as well as around all the issues you may have with governments, world conditions, and those situations in your intimate circles. Resolve your personal differences and know that by doing that, you create inner peace. These waves fan out around our entire globe.

Stand, now, and send a huge wave of peace around the world, from your heart into the heart of Gaia. See if you can get others involved.

[Sing Halleluiah](#)

Please join me in this prayer.

## PRAYER

Spirit of the Universe, we ask that no matter how small the glimmer of peace seems to be that you take it and expand it and gently place it in the hearts of all people every where. It is time. We are willing to be an example and set the tone. Our path is before us and we step onto it willingly. Clear our minds of any resistance we are carrying and cleanse our spirits of any dense energy that may alter the purity of our intention. Show us how to allow. We thank you, knowing that this is already done, for the law says, 'ask that you may receive'. Amen.

If you are part of a group big or small, light one candle and have each person hug the next person then light their candle, spreading love and light as they go. If you are on your own today, hug yourself and light a candle.

Sing Halleluiah

## POEM

### “IF WE WOULD”

By: Lyn Ayre 21Aug00

I believe World Peace is possible.

If we would, each of us, take responsibility for  
how the world is now;  
and pray to whatever Spiritual Power  
sustains us each day;  
and not lead ourselves or our fellow travelers into  
temptation to use the baser side of our natures.

If we would, each of us, help one other person each day  
to see the good in themselves;  
and appreciate and give thanks for what we have right now;  
and if we would lay down our weapons for a moment,  
then why not for a lifetime,  
whether it be our sharp tongue or  
a bazooka gun.

If we would, each of us, breathe in love and  
breathe out the Joy of Living;  
then there would be Peace on Earth.

It is possible.

## SONG

### LET THERE BE PEACE ON EARTH

Words and Music by Jill Jackson and Sy Miller, Circa 1955

Let there be peace on earth,  
and let it begin with me.  
Let there be peace on Earth,  
the peace that was meant to be.

With God as our Father,  
brothers all are we,  
Let me walk with my brother,  
in perfect harmony.

Let peace begin with me,  
let this be the moment now.  
With every step I take,  
let this be my solemn vow,

To take each moment and live each moment  
in peace, eternally.  
Let there be Peace on Earth,  
and let it begin with me.

### Prayer of St. Francis

As I was doing my prayers one day a while back and this tune and these words, which use the Prayer of St Francis as the base, came to me so I got up and recorded it on my computer then mixed it down to an .mp3 so I could publish it to my web as a free offering

Lord, make me a channel for your peace  
Where there is hatred, let me sow your love  
Where there is injury, pardon o fall wrongs  
Where there is doubt, faith in you above

Oh, Father, please do hear my prayer  
To bring hope to those who're in despair  
And light to children of the dark  
To sorrow, bring them a life spark

Oh Lord above, grant I may not seek  
Understanding, rather understand  
Consolation, rather to console  
And love, rather let love flow

For giving allows me to receive  
And pardoning sends blessings down on me

In dying to the world, I am relieved  
Forever, born eternally  
Forever, born eternally

**AMEN**

Amen, Amen, Amen, Amen, Amen,  
Amen, Amen, Amen, Amen, Amen,  
And so it is.

**WALK IN PEACE**
